

1. Death is man's number one enemy (1 Corinthians 15: 26). Jesus said "the hour is come" (John 12: 23-24, 17: 1), meaning his death on the cross; so that the Father may be glorified! How could that be?
2. Jesus' concern on earth was to glorify His father (verse 4) – what do you think glorifies God the father (John 15: 8, 1 Peter 4: 10-11)?

What does not glorify God, and should that concern me?

3. How can I glorify God in my life, and in my living?
Is there anything he asked me to fulfill?
4. Jesus' mission was to give us the words of the father (verse 8), and Jesus gave us this mission into this world (verse 18). How can I fulfill this mission?
5. John chapter 17 is the Lord's Prayer for us. How should we pray? What are the important things that we should ask for in our prayers; as we pray for ourselves and for others?

6. Jesus prayed for all those that will believe through the disciples work (verse 20), then prayed for the unity of believers (verse 21-23). Are believers and the Church of Christ united or divided? How?

What unites us? How? And in whom is the unity?
